Sarah's Favourite Cartoon

When I am alone at home, I play the computer, I draw, I paint or I read books. But I also watch TV as it is a good relaxing activity. I love watching TV because I can see a lot of funny cartoons.

My favourite cartoon is "Tom and Jerry". Tom is a comic black and white cat. He always tries to catch Jerry, the cute little mouse. Jerry is smart. He has got small black eyes and large ears. He can run very fast.

When Tom wants to catch him, the trouble begins - Jerry runs, plays tricks on the poor cat and then quickly hides in his mouse hole.

The house is always upside down.
