SECTION I –READING COMPREHENSION (30p)

Read the passage.

I live in New York

Hi! My name's Tiffany Morton and I live in New York. Our apartment is in Greenwich Village. I go to East Side Middle School. I'm 14 so I'm in the eighth grade. I travel to school on the underground.

My family is a typical New York family. My grandfather is from Poland and my grandmother is from Italy. My mum's grandparents were Irish. I have an aunt from Puerto Rico and an uncle from Brazil. So my relatives speak five different languages!

My dad's a sculptor and my mum's an art teacher. I suppose that's why I'm interested in art. There are some fantastic museums and galleries in New York. My favourite is the Museum of Modern Art.

Another of my favourite places is Central Park. It's four kilometres long and there are 75,000 trees. I go rollerblading there with my friends and, in the summer, we swim at the pool after school. I like going to the theatre on Broadway but it's very expensive.

People think New York is dangerous, but I don't agree. It's certainly a busy, noisy place. After all, eight million people live here. Why don't you come and visit *'the Big Apple'?*
