ERDEMLI / MERSIN - TURKIYE

11-15 MAY 2026

Co-funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the European Education and Culture Executive Agency (EACEA). Neither the European Union nor EACEA can be held responsible for them.

Day 1: Erasmus+ Success!

Following a warm welcome from the principal and the school's staff, we used GeoGebra to explore geometric concepts in math class. We joined our Turkish peers in football, volleyball, and basketball matches, establishing meaningful international friendships.

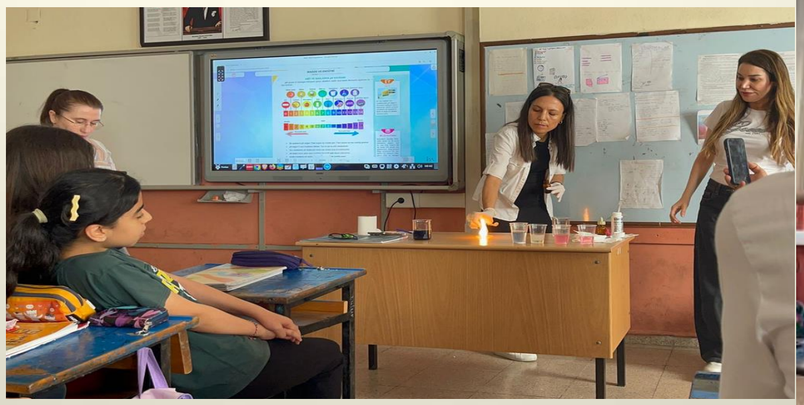

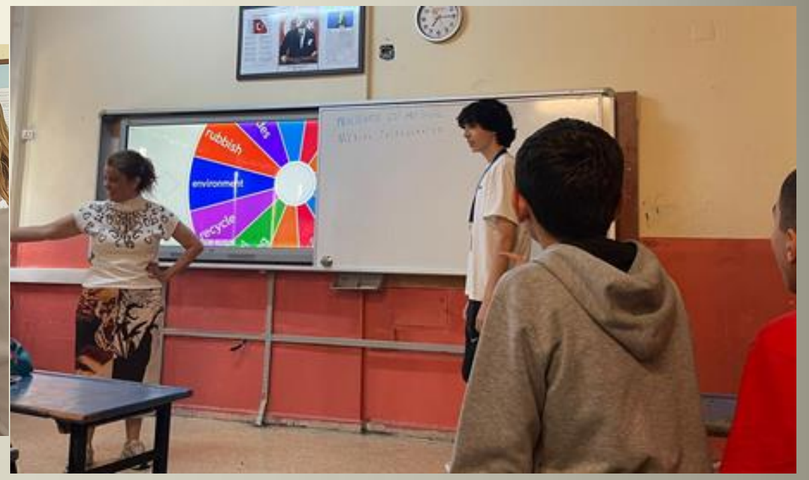

The day concluded with a creative painting workshop at the Erdemli Public Library, where students expressed their artistic sides by decorating unique bowls and figurines.

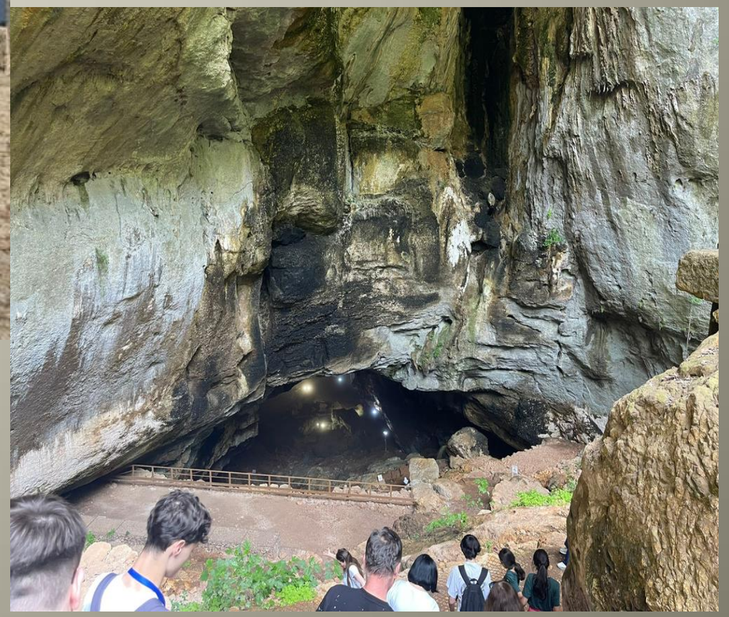

Day 2: High Energy & Adventure

The cultural exchange began with Turkish students sharing a traditional Romanian dessert. During the science lesson, we conducted practical experiments focused on acids, bases, and the pH scale.We also discussed the culinary tradition of both nations. The English clas focussed on educational game regarding pollution an environmental protectior integrating bilingual vocabular practice in Turkish and Romanian.

We topped off the day with an epic adventure to the breathtaking ”Heaven and Hell Sinkholes” and the legendary Kızkalesi sea fortress.

Day 3 : Language, Ecology, and Local Heritage

We began with English grammar lessons focused on future tenses and learned about the Turkish school system. Later, we celebrated cultural exchange through music, traditional dances, and songs from both countries. The day ended with a cooking activity featuring traditional Turkish food and a demonstration of Turkish carpet weaving.

Day 4: From languages to hands-on tech

The fourth day started with a Turkish language lesson, where students learned pronouns and basic grammar. Turkish students also learned a few Romanian words.

During the German lesson, we explored environmental issues related to electronic waste. The final activity was an IT lesson in the school's modern computer lab, equipped with numerous computers and a 3D printer.

Day 5 in Turkey : A Beautiful Celebration of Culture & Friendship!

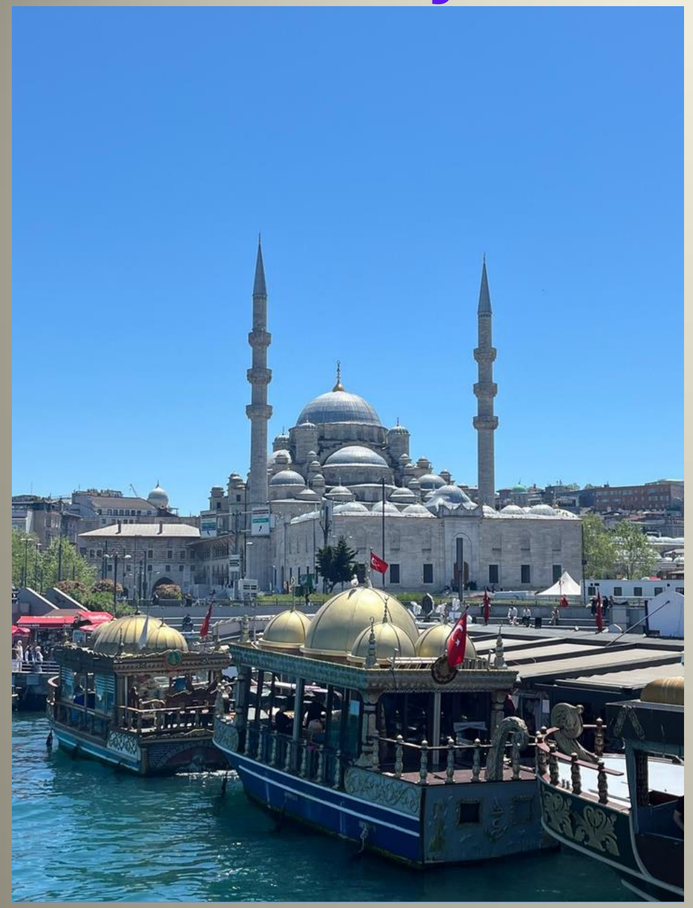

The students participated in an inspiring seminar highlighting the rich cultural and historical connections between Romania and Turkey. This interactive session allowed both groups to exchange ideas while celebrating their unique national identities.

The unforgettable trip concluded with a special farewell dinner where students received certificates and gifts while celebrating with their hosts through music and dance.

Day 6 & 7: A Journey Through Istanbul's Heritage

On our journey home, we spent a day in Istanbul visiting some of Turkey’s most famous landmarks, including the Suleymaniye Mosque, Hurrem Sultan’s Tomb, the Grand Bazaar, the Blue Mosque, and Hagia Sophia.

The day ended with a relaxing cruise on the Bosphorus.
